

k-GuardTM

Karanjin 2% EC

K-Guard is a 100% natural botanical bio-acaricide derived from Pongamia glabra, enriched with karanjin—a potent natural furano-flavonoid known for its insecticidal and antiseptic properties. It provides both preventive and curative protection, offering broad-spectrum control against insect pests and mites.

Application Guidelines

Dosage (per acre)	Dilution
450 - 750 ml	3 - 5 ml/L

Product Overview

Active Ingredients

Karanja Oil

Formulation Type

Emulsifier Concentration (EC)

Pests Controlled

Aphids, Thrips, Whiteflies, Leafhoppers, Mealybugs, Scale insects, Mites, Jassids, Psyllids, Beetles, Caterpillars, Leafminers, Bugs & Hopper pests, Small soft-bodied insects & nymphal stages.
